1.1 Bargaining Unit

This Agreement is made and entered into between the Board of Education of the Newton Community School District (hereinafter referred to as the District) and the United Electrical, Radio and Machine Workers of America (UE), and its Local 898 (hereinafter referred to as the Union).

The School Board of the Newton Community School District recognizes the Union as the exclusive bargaining representative for the employees of the Newton Community School District in the bargaining unit as defined by the state of Iowa Public Employment Relation Board's certification in case number 5735, dated the 30th day of October, 1997: All full-time and regular part-time para-professionals, transportation workers, custodial workers, documentation/delivery worker, maintenance workers, and food service workers. The Union and the District have agreed to cooperate to promote harmonious relationships and efficient operations, and to carry out the collective bargaining procedures in a spirit of harmony and good will.

The parties will review all new classifications and if unable to reach agreement as to their inclusion or exclusion from the bargaining unit shall submit such classifications to the Iowa Public Employment Relations Board for final resolution.

1.2 Request for Meetings

The District and the Union shall meet for the purpose of negotiating a Collective Bargaining Agreement. Requests from the Union for negotiation meetings shall be made by the Union's designated representative. Requests from the District shall be made by its designated representative.

1.3 Facilities and Equipment Usage

The Union shall have the right to hold meetings on school district property as scheduled with the district office.

Bargaining unit employees shall have the right to distribute literature and other union business, which may include, but not limited to distribution of union literature, election and membership materials through use of school mail.

The Union shall be provided with bulletin board space in each school, the maintenance office, the copy center, and the bus garage. In the high school, the Union will be provided with bulletin board space in the custodial control room, kitchen office, and teachers' lounge/workroom. In the Berg complex, the Union shall be provided with bulletin board space in the teachers' workrooms, custodial office and kitchen. All other elementary schools shall be provided with bulletin board space in the teacher workroom/lounge and kitchen. The District agrees that during working hours, without loss of pay, and on the District's premises, Union representatives (building representatives at their work location) shall be granted a reasonable amount of time for the purpose of posting Union notices on designated bulletin boards.

1.4 Dues & Fees Deduction

Upon receipt of a voluntary individual written request from any of its employees covered by this Agreement on forms provided by the Union, the District will commence deduction from the pay due such employee those dues required as the employee's member dues in the Union. The withheld dues shall be submitted to the Union on a monthly basis.

An employee's request for dues deduction shall be effective on the payroll period immediately following the District's receipt of the request, except in the case of an employee who requests dues deduction after having dropped their membership. Such an employee must wait 120 days to begin deduction again. Deductions shall be made only when the employee has sufficient earnings to cover same after deductions (when and if applicable) for social security, federal taxes, state taxes, retirement, health insurance, and life insurance. Deductions shall be in the amount as shall be certified to the District in writing by the authorized representative of the Union.

1.5 Contract Distribution

The District will provide copies of the contract to the Union stewards and to all new employees. The District shall distribute a copy of the new contract agreement to each employee.

ARTICLE II GRIEVANCE PROCEDURE

2.1 Grievance

A grievance shall be an employee's written complaint alleging a violation involving the application and interpretation of provisions of this Agreement. An aggrieved employee may file a grievance on behalf of him/her self and others in similar situations. A grievance shall contain a statement of the grievance by indicating the issue involved, the relief sought, the date the alleged incident or violation took place, and the section or sections of the Agreement involved. The grievance shall be presented to the grievant's immediate supervisor on forms mutually agreed upon by the District and the Union (and included in the appendix). The grievance shall be signed and dated by the grievant. Prior to the filing of a formal written grievance, employees are encouraged to meet with the Supervisor to informally resolve any matter that might constitute a grievance. Should that informal meeting not resolve the matter, then the employee may proceed to Step 1.

2.2 Purpose

The purpose of this procedure is to resolve, at the lowest possible step, grievances which may arise under the provisions of this contract.

2.3 Procedures

Step 1

A grievance may be filed within fourteen (14) calendar days from the date of the occurrence by presenting it to the grievant's immediate supervisor. The immediate supervisor will, within seven (7) calendar days of receipt of a written grievance from the employee or Union representative, schedule a meeting with the Union representative, if applicable, and grievant and attempt to resolve the grievance. The supervisor will return a written answer to the grievant, Union representative, and superintendent within seven (7) calendar days following the Step 1 meeting. If the District does not answer Step 1 on a timely basis, the grievant may file the grievance at the next step.

Step 2

In the event a grievance has not been satisfactorily resolved at the first step, the grievant may file (or authorize a Union representative to file), within seven (7) calendar days of the supervisor's written decision at the first step, a copy of the grievance with the Superintendent or Superintendent's designee. Within ten (10) calendar days after such written grievance is filed, the Superintendent or Superintendent's designee shall schedule a meeting with the grievant and Union representative and attempt to resolve the grievance. The Superintendent or Superintendent's designee shall file an answer within seven (7) calendar days of the second step grievance meeting and communicate it in writing to the employee, Union representative, and the supervisor.

Step 3 Arbitration

If the grievance is not resolved satisfactorily at Step 2 or the District has not answered at Step 2 on a timely basis, the grievant with Union permission may, within thirty (30) calendar days, call for arbitration. The mailing of an appeal to Step 3 shall be considered timely if postmarked within the time limits. Within ten (10) working days after written notice to the Superintendent of submission to arbitration, the Superintendent and the Union shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such commitment within the specified period, a written request for a list of arbitrators shall be made to the Iowa Public Employment Relations Board by either party.

The list supplied by the Public Employment Relations Board shall consist of five (5) arbitrators and, within seven (7) calendar days after the receipt of the list the parties shall determine by flipping a coin which party shall have the right to remove the first name from the list, the parties shall alternately strike a name from the list and the fifth and remaining name shall be the arbitrator. The arbitrator's decision will be binding on both parties. An arbitrator's decision on a grievance may not change or amend the terms or intent of the collective bargaining agreement in whole or in part.

The District and Union shall share equally the fees and expenses incurred by the arbitrator with the exception of cancellation fees which shall be paid by the party making the cancellation. Any expenses for witnesses called or counsel used shall be borne by the party calling such witnesses or using such counsel. Arbitrator's fees and expenses as a result of mutually agreed upon continuances or cancellations shall be shared equally by the District and the Union.

2.4 Time Limits

The parties may mutually agree in writing to extend the time limits of any step of the grievance procedure. Such extension shall not be unreasonably withheld by either party.

2.5 Processing Grievances

The grievant and one steward may be in pay status at scheduled meetings with the District that occur during the respective individual's regular work hours. The grievant is entitled to be present at all steps of the grievance procedure and to be represented by the Union.

ARTICLE III
SENIORITY PROVISIONS

3.1 Definition

Seniority means an employee's length of continuous service with the District since the employee's date of employment. As long as an employee is employed in the bargaining unit, his/her seniority continues to accumulate.

Any length of service in a temporary position shall be included in the computation of seniority if the employment was contiguous to the appointment to a permanent position.

In the event two (2) employees have the same original date of employment, seniority shall be determined by the last four (4) digits of the social security number with the employee having the lower last four (4) digits of the social security number being considered as having the greater seniority.

3.2 Seniority Lists

On or about December 1 of each school year, the Union will be provided with fifteen (15) copies of a list showing the seniority by job classification of each employee. If a protest is not received within thirty (30) days of the posting, the list shall be deemed correct. Additional copies will be provided to the Union as reasonably requested.

ARTICLE IV
LAYOFF AND RECALL PROCEDURE

4.1 Layoff

The District has the sole discretion to determine the necessity for an implementation of a layoff of the work force. A layoff is defined as a reduction in the number of employees (except a reduction caused by attrition).

Except in cases of emergency, notice of layoff will be given at least two (2) weeks in advance of the layoff, or two (2) weeks pay in lieu thereof.

Layoffs shall be by seniority within job classification beginning with the least senior. Note: job classifications may have special requirements and qualifications.

Layoffs shall not be considered a break in service if the employee is recalled within 18 months.

4.2 Recall

The name of a laid off, permanent employee shall be placed on a recall list for the classification from which the employee is laid off. When one or more names are on a recall list for a class where a permanent vacancy exists, the District shall first offer that position, in seniority order, to any employee laid off from that classification where the vacancy exists. An employee to be recalled from a layoff shall be notified as far in advance as possible by certified mail, return receipt requested, mailed to his/her last known address as shown on the District's records. Any employee called back to work must notify the District in writing of acceptance within seven (7) calendar days after receiving such notice or at the time and date indicated in the notice, whichever is later. An employee shall be considered as having received notice of recall as of the date such notice is delivered to his/her last known address, as reflected by the District's records. It is the employee's responsibility to keep the District informed of his/her current address and phone number. If a laid-off employee rejects a position with hours of work less than their previously held position, that employee's rights to recall to another position shall not be lost. Laid-off employees shall remain on the recall list for eighteen (18) months.

ARTICLE V
PROCEDURES FOR TRANSFERS

5.1 Involuntary Transfers.

The District may not arbitrarily exercise its right to involuntarily transfer employees. Notification of the involuntary transfer will be given at the earliest possible date.

5.2 Voluntary Transfer

The District shall decide if there is a vacancy in an existing or new position. If the District determines that there is a vacancy and elects to fill the vacancy, the District shall post the vacancy so that interested current Employees in the affected job classification may apply. This requirement may be waived by mutual agreement for exceptional circumstances.

Each new temporary position or existing position in which the District elects to use a “substitute” (non-bargaining unit employee) shall be posted and filled as a unit position after 120 days, unless mutual written agreement by the District and the Union.

1. Eligibility

Employees who desire to transfer to another position for which the employee meets the qualifications shall file a written request with the District indicating that interest. Request forms shall be available on bulletin boards customarily used for official employee announcements.

2. Job Postings

The District shall post the vacancy for a period of five (5) work days in each building on bulletin boards customarily used for official employee announcements and on the school district website. One copy of each job posting shall be sent to the union president’s mailbox. The posting shall include the job class, all qualifications, including all licenses and certifications that will be required for the position, work location, hours of work, and the pay scale. During summer recess postings shall be at the high school, bus garage, central office and District website.

All transfer requests must be filed during the five (5) day posting period for each vacant bargaining unit position.

3. Procedures

The District shall have the discretion to fill vacancies based on special requirements and qualifications with existing Employees or new hires. If the District adds special requirements to an existing job classification, it shall be considered a new job classification.

The District may consider such factors as quality and continuity of existing functions, and employee qualifications. Employee qualifications shall include skills, abilities, employee work record, licenser, and certification. If factors are equal among applicants, then seniority shall be the deciding factor.

ARTICLE VI
HOURS OF WORK AND WAGES

6.1 Working Schedules

Work schedules are defined as an employee's assigned hours, days of the week, and days off. Schedules for all employees shall be posted five (5) days in advance except in emergency circumstances.

Whenever possible, the District will provide twenty-four (24) hours notice prior to requiring work outside the normal work schedule. Nothing in this agreement constitutes a minimum guarantee of work for an employee.

Nothing herein shall prevent the District and employee from mutually agreeing to a flexible schedule outside the normally scheduled hours.

Employees who regularly work more than thirty-one (31) hours per week shall be considered full-time employees.

All bargaining unit employees shall be paid for all hours worked. Mandatory attendance at meetings shall be considered as hours worked.

All eleven (11) month employees will be allowed to take their unpaid leave with approval of their supervisor.

When assigning part time custodians additional temporary work (substituting for full time custodians) the District shall make a good faith effort to equalize the work among part time custodians in the building.

6.2 Wages and Pay Periods

Employees shall be paid pursuant to the salary schedule in Appendix A.

6.3 Overtime

Authorized overtime will be that time worked, with approval of the responsible Superintendent or supervisor of the division, over forty (40) hours in any one week and compensated at the rate of one and one-half (1-1/2) their hourly rate. All hours worked on Sunday in excess of forty (40) hours in a week shall be compensated at two times the employee's regular hourly rate. Paid holidays and vacations, and all paid leaves of absence shall be included in the calculation of overtime. Overtime shall not be paid for non-mandatory meetings.

All custodial work required for (1) special non school events and (2) school events outside the normal work schedule shall be assigned pursuant to the wheel described below.

The District will rotate all scheduled overtime on an equitable basis to all permanent (full-time) custodians by building. Seniority will start this rotation schedule. Employees will rotate through the overtime (wheel) list as overtime duties are accepted. Additionally, the rotating (wheel) overtime plan will work in reverse order when no one volunteers for the overtime assignment. After the initial

volunteer wheel for full-time custodians and before the reversed order assigned wheel, part-time custodians will have an opportunity to volunteer for the extra hours in order of seniority within each building.

6.4 Non-pyramiding Provision

Payment of overtime at a premium rate shall not be compounded or paid in addition to any other premium rate paid for work incurred during the same work period. There shall be no duplication or pyramiding of any premium pay provided for under the provisions of this Agreement for the same hours worked.

6.5 Compensatory Time

All use of compensatory time up to a banked forty (40) hours shall be taken upon approval of the employee's supervisor. The District may direct the use (including payment by District) of comp time banked in excess of forty (40) hours (see side letter). Any compensatory time banked by an employee but not used by the end of a school year shall be paid in cash the banked amount and included on the final paycheck of the school year.

Employees shall give at least a twenty-four (24) hour notice of their intent to use compensatory time unless waived by both parties.

Upon separating from School District service, employees shall be paid for any unused earned compensatory time.

6.6 Callback Pay

The District agrees that employees called back for duty will be guaranteed a minimum of two (2) hours pay at their regular rate or at the overtime rate for hours worked in excess of forty (40) hours in a week. This provision shall not be construed so as to provide for additional compensation if the employee is called back for duty within the original two (2) hour period. Employees who are called back to work in excess of two (2) hours will be paid for actual time worked. To qualify for callback compensation, the time worked cannot be contiguous to the beginning or end of an employee's scheduled work shift.

6.7 Bus Drivers

Current practices regarding assignment of non-regular routes shall continue.

Hours worked on out-of-district activity trips will be calculated from fifteen (15) minutes before the time leaving the bus garage to thirty (30) minutes after time returning to the bus garage.

When making activity trip assignments, priority shall be given to full-time drivers rather than substitute drivers. Except in response to exceptional circumstances, these assignments shall not be made if they interfere with regular routes.

All drivers must sign up on a form provided by management on a quarterly basis indicating the type of non-regular route trips for which they wish to be considered for assignment. All drivers shall remove their names when they no longer wish to be considered for assignment. The list of assignments may be reviewed by the Union at any time. Drivers and/or the Union may raise

concerns about assignments with the Supervisor of Transportation and/or the labor management committee.

When management makes the non-regular route assignments, a copy shall be posted in the driver's lounge and be at least one week current. Allowances shall be made for changes due to unexpected circumstances

6.8 Meal Periods

Current practices regarding meal periods shall continue. Meal periods shall be without job responsibility.

6.9 Rest Periods

Current practices regarding rest periods shall continue. Rest periods shall be without job responsibility. Employees shall receive a fifteen (15) minute paid rest period for each four (4) hours of work per day.

6.10 Scheduling Substitutes

It shall be the District's responsibility to find and schedule substitute employees as needed.

6.11 Early Release

The District, via supervisors, will advise employees if their scheduled hours are affected by an unscheduled early release or late start. Employees shall not be docked for unscheduled early releases or late starts when the day is counted as a completed instructional day in the 180 day academic calendar.

6.12 Use of Personal Vehicles

Employees are not required and not allowed to use their personal vehicle for school business.

6.13 Seasonal Work

Summer or seasonal work opportunities will be posted. Bargaining unit employees will be offered summer or other seasonal work opportunities before anyone outside the bargaining unit is offered such work.

6.14 Bus Driver Activity Trip Pay

When driving an overnight activity trip bus drivers will receive at least eight hours pay per day for trips requiring an overnight stay, with hours worked on non-activity trips also counted toward this eight hour minimum. If the arrival time on the return trip home goes beyond midnight, the activity minimum pay will not go into effect for the post-midnight period. The driver will also receive overtime pay if applicable (i.e. Section 6.3 above) calculated using the activity/trip pay rate except the provisions regarding Sunday double time do not apply.

6.15 Substitute

When an employee substitutes for another employee in a different job classification that employee will receive his/her current rate of pay or the base rate of pay of the substituted employees' job classifications, whichever is greater.

6.16 Sub Authorization for Paraprofessionals

- Paraprofessionals who have received the substitute authorization per Department of Education mandates, may substitute for a teacher in the State-authorized, administrator-directed assignment. The parapro will be paid an additional \$3.00 per hour in actual hours worked in the substitute teaching assignment.

Paraprofessionals who possess a BA degree and substitute authorization, will be paid at an hourly rate based on the District substitute teacher established pay rate.

All other bargaining unit employees shall be granted Christmas day as a paid holiday at their regular daily rate of pay.

ARTICLE VIII
VACATIONS

Full-time (more than thirty-one (31) hours per week) bargaining unit employees working on a twelve (12) month basis shall be granted paid annual vacation leave as follows:

One (1) week after first full year seniority
Two weeks (2) after two full year seniority
Three (3) weeks after five full years' seniority
Four (4) weeks after ten full years' seniority

Unused vacation shall be paid to the employee in the pay period immediately following the employees' seniority date.

Any employee who is laid off, separated from employment, retires, or resigns shall be compensated for the unused vacation accumulated at the time of separation.

Every attempt will be made to grant employees vacation at the requested time.

In the event of a serious illness or injury, with doctor's verification, while an employee is on vacation, that portion of the vacation leave may be substituted for and charged against the employee's accrued sick leave upon the employee's request.

In the event a full-time 12-month employee dies before receiving vacation pay for the year of death, the pro-rata share of vacation pay earned at the time of death for said year shall be paid to the estate of the deceased.

ARTICLE IX
LEAVES OF ABSENCE

9.1 Sick Leave

All employees shall be granted fifteen (15) paid days of sick leave for each year of employment.

Unused sick leave may be accumulated from year to year up to a maximum of one hundred eighty (180) days.

Employees may use accrued sick leave for personal illness (both physical and mental), bodily injuries, or pregnancy or childbirth.

The District may require a medical certificate or other appropriate verification, and shall provide the employee the reason for the request.

Employees will be permitted to use compensatory time and/or vacation in lieu of sick leave upon request. If an employee is on sick leave when a regularly scheduled holiday falls, the employee's sick leave account shall not be charged for the holiday period.

When an employee returns to work from a layoff, any unused accumulated sick leave up to a total of the allowable maximum of one hundred eighty (180) days shall be restored provided the employee is reinstated within eighteen (18) months of layoff.

In no case shall an employee who is qualified for sick leave be required by the District to report to work.

Employees who are hired after the fiscal year has begun will receive pro-rated number of days based upon the time of hiring.

Sick leave days will be pro-rated for employees who work less than their agreed-upon contract. Adjustments reflecting the prorating of leave shall be made in the employee's final paycheck.

9.2 Bereavement Leave

In the case of the death of the father, mother, son, daughter, wife, husband, brother, sister, grandfather, grandmother, grandchild, and comparable in-laws of an employee of the District, the employee shall be granted permission to be absent from duty by the Superintendent or designee for as many days, not to exceed (5) per year, as may be necessary in his/her opinion, for attendance at the funeral and for any other purposes directly arising out of said death. In the event of two non-concurrent deaths within the immediate family as defined above, the Superintendent may grant additional leave days.

Two (2) days of absence annually shall be allowed to attend funerals of other relatives or close friends. Such leaves shall be granted with full pay and shall not be charged against sick leave nor shall such days be cumulative. For local funerals it is contemplated that such leave shall constitute only the time necessary to attend the funeral service.

The District will pay the cost of the seminar for all approved training.

Pre-approved expenses for lodging are limited to the rate of a medium priced hotel in the area. Lodging or meals may be pre-approved for a larger amount if special circumstances require the employee to stay or eat at a particular site. For travel requiring an overnight stay, pre-approved expenses for meals up to \$24.00 per day are allowed. For travel not requiring an overnight stay, pre-approved expenses for meals up to \$8.00 per meal are allowed. Meals may be pre-approved for a larger amount by the Superintendent or designee.

For travel requiring the use of a personal vehicle, Article 6, Section 12 applies.

9.6 Military Leave

The District agrees that military leave shall be granted pursuant to Iowa Code 29A.28.

9.7 Union Leave

At the request of the Union, employees shall be granted an unpaid leave of absence for Union activities up to 30 days per year, subject to the District finding a suitable replacement. Such employees shall accumulate seniority during such leave. Upon completion of such leaves of absence, employees shall be returned to their formerly held or like position at the rate of pay in effect at the time of return. Notwithstanding the above, Union members may elect to take vacation or earned compensatory time in lieu of leave of absence without pay.

9.8 Leave Without Pay

Except as otherwise provided for in this Agreement, leave without pay may be granted from the immediate supervisor subject to approval by the Superintendent in advance. Requests for leave without pay shall be on the District form. The District has sole discretion to grant or deny the leave request.

The employee shall be asked to explain the reason for any leave time requested. The District shall require an employee to use accumulated paid leave prior to receiving approval for unpaid leave except in instances of Union leave or except in emergency inclement weather.

The District recognizes certain requests for leave without pay may be governed by the Family Medical Leave Act (FMLA).

9.9 Jury Duty

An employee shall suffer no loss of salary by reason of jury duty or if subpoenaed for reasons due to employment with the district (except if the subpoena is issued on behalf of the employee or the Union). When jury duty pay has been received, the District may require a copy of the check. The employee shall then forward a check equal to jury duty pay to the District. There shall be no loss of regular pay.

9.10 Notification of Accrued Leave

Employees shall receive a calculation in September of their accrued sick leave, vacation, and personal leave.

9.11 Use of Leave

Use of leaves in this article shall be taken in at least half day or half shift increments.

ARTICLE X

At least one month prior to evaluation, employees shall be notified of the criteria on which they will be evaluated. LETTER OF UNDERSTANDING

ARTICLE V PROCEDURES FOR TRANSFERS

During negotiations the parties discussed and herewith amplify said discussion in this form, which does not constitute a part of the basic agreement.

Labor-management committee will have a session by August 25, 2003, with representation of building principals regarding (1) improved communication of expectations for new hires and in instances of reassignments; (2) criteria building principals use when making such reassignment decisions.

Paraprofessionals may raise concerns about assignments directly with the building principal, central office and/or through labor/management committee. They may be represented by the Union. The decision regarding assignment and the review of that decision shall not be subject to grievance procedure.

LETTER OF UNDERSTANDING

ARTICLE VI HOURS OF WORK AND WAGES

During negotiations the parties discussed and herewith amplify said discussion in this form, which does not constitute a part of the basic agreement.

The following schedules will apply for custodians and maintenance employees:

Winter and Spring Break: normal shifts shall apply. When operational/work load circumstances permit, summer hours will be implemented. This practice may vary from building to building depending upon work requirements.

Summer: Custodial and maintenance workers will switch to summer hours the regular work day following the last scheduled work day for teachers to be present in the buildings. Normal shifts shall start in late July or early August as operational/work load circumstances necessitate, after a 5 day posting as required by Article 6.1.

In addition, these decisions regarding timing of shift changes described above will be reviewed in advance by the Director of Human Resources with the Union President.

LETTER OF UNDERSTANDING

ARTICLE VI HOURS OF WORK AND WAGES -- Compensatory Time

Both parties have agreed to a fair and equitable use of compensatory time accumulated over 40 hours. According to the Article VI – Section 6.5 – Compensatory Time of the Negotiated Agreement, an employee may accumulate up to 40 hours of compensatory time (comp time) to take at their discretion, pending supervisor approval. “The District may direct the use of comp time banked in excess of 40 hours.” In some circumstances (snow removal, temporary shortage of needed labor, etc.), it may be necessary for an employee to accumulate more than 40 hours. In the event that an employee would bank more than 40 hours, the following policy would take effect:

- All comp time over 40 hours must be used in a given pay period. District accounting closes the books on monthly payroll on the 10th of the month. Any excess comp time must be used between the 1st of the month in which the comp time was earned and the 1st of following month.
- If by the 1st of the month the comp time has not been used, then the employee will be paid out in cash for those comp time hours in excess of 40 at the appropriate rate of pay in the next pay check.
- At the start of every pay period, an employee will have no more than 40 hours of comp time.
- As per the Negotiated Agreement, any compensatory time banked by the employee but not used by the end of a school year shall be paid at the appropriate rate and be included in the final paycheck of the school year. Therefore at the beginning of each fiscal year (July 1), an employee will have zero hours of banked comp time.
- Employees shall have the option of carrying forward overtime hours earned and banked in June (and only June hours). If work requirements, schedule needs, and/or budget needs do not allow the employee to take this June earned comp. time off, then in July the banked time will be paid off by the District.

The employee’s immediate supervisor and the Director of Human Resources must approve any exceptions to the above policy.
